

“Worship Ministry”

What is a worship ministry or what should a worship ministry look like? Some people say the worship ministry is only music. Some point out it is a “Worship Service” which means both music and preaching. Some say it is a structured time of corporate worship which includes an order of service with music, announcements, fellowship, affirmations, preaching, and oh, yes, an offering. Some even believe the worship ministry is what identifies them with their denominational affiliation and cultural style.

Well let’s just be honest. A “Worship Ministry” is going to be a personal preference that is acceptable by those attending each individual church. Regardless of preference, it is important that the Gospel of Christ is preached and taught, then lived out through the ministry and all organized activities.

WHAT IS EXPOSITORY PREACHING?

Expository preaching involves the exposition, or comprehensive explanation, of the Scripture; that is, expository preaching presents the meaning and intent of a biblical text, providing commentary and examples to make the passage clear and understandable. The word *exposition* is related to the word *expose*— the expository preacher’s goal is simply to expose the meaning of the Bible, verse by verse.
